THS Greet Vikes; In Beverly Tourney

SWOOSH . . . Sterling Brown aims one towards the hoop and gets it away despite the efforts of Redondo's Bob Combs during the Torrance-Redondo varsity game, Friday night. The invaders beat the Tartars, 46-33. Tom Vanderpool is down court, as is the Hawks' Dean Moore (24).

Hawks Rip Tartar Varsity

A busy week of basketball faces the Tartar varsity cagers, as they host the Santa Monica Vikes Tuesday afternoon, then take part in the Beverly Hills Invitational Tourney starting the next day. The Tartars will meet Compton first off the bat.

It will be a first meeting with the Santa Monica quintet, a strong club which lost by a hair to Centennial in a double-period overtime game last week.

The locals were completely outmatched in a fray with the visiting Redondo Seahawks Friday night, as the guests whacked out a 46-33 victory with little effort.

A first half slump sent the locals into a big downhill scoring session as they picked up only eight points in the opening, and two in the second period.

Redondo's lanky Rex Hughes controlled the backboard and the court and went on to drop in ten field goals and three gratis shots for 23 points.

The Tartar's Denny Hester scored the opening shot of the game, but only seconds after the scoreboard gave the locals a two-point edge, the Hawks opened up. Hughes, Larry Sturges, and Bob Combs all hit with little effort to push their crew to the fore.

The lack of points apparently was like a psychological hit on the Torrance crew; they fired from all over the court, but couldn't find the hoop.

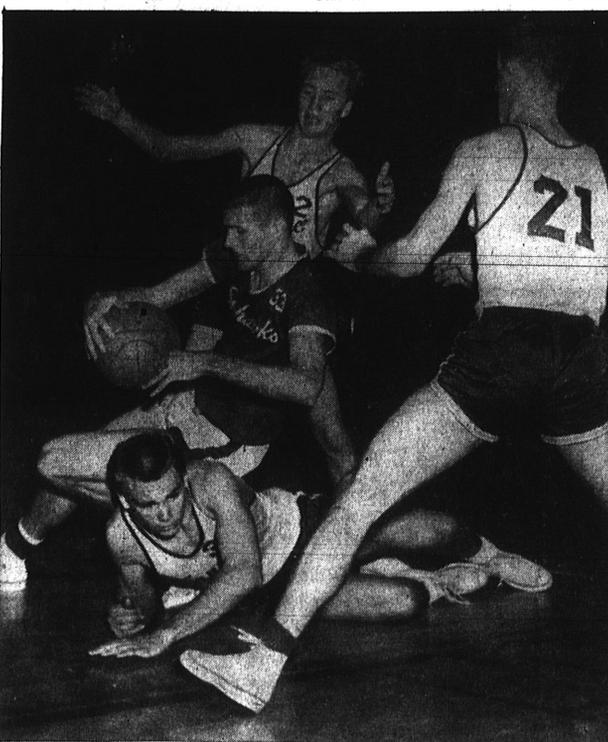

Working out of an extremely fast break, the Hawks handled the ball extremely well, and their height gave them a decided advantage in controlling the backboards.

Fish, Game Commission Asks Rule Changes for '55 Season

Major recommendations of changes in the 1955 Fish and Game Laws were made by the State Department of Fish and Game to the Commission this week, to be studied prior to a Feb. 25 final meeting. Major changes include:

GAME
Addition of one week to the Coastal deer season, with the dates Aug. 6 to Sept. 18 inclusive.

An ether-sex hunt during the final three days of the Sierra season for hunters with unused "B" tags, in the Counties of Glenn, Colusa, Sutter, Yolo, Solano, San Joaquin, Sacramento, Yuba, Butte, Amador, and Calaveras, and portions of Alpine, Eldorado, Placer, Nevada west of the Sierra summit. The proposal is contingent on expiration and non-renewal of the forked horn and female deer prohibition of Section 12515 of the Fish and Game Code and on the outcome of a hearing to be held in Sacramento on Feb. 7.

Sierra season dates of Sept. 24 through Oct. 23. Recommended bag limit is two bucks, forked horn or better in the coastal and northwestern part of the state, and one buck, also forked horn or better in the remainder.

An open season year around with no bag limit in Humboldt County only was suggested for bear hunting.

Archery seasons for bear and deer were recommended to include July 23 to Aug. 1 for the central and south coastal area; Sept. 10 to Sept. 19 for the inland season area, and a special ether-sex hunt July 23 through Dec. 31 in portions of Los Angeles County.

A ten-day pheasant season from Nov. 19 through 28 was suggested with a change in the bag limit in the southern part of the state of two birds (cock or hen) per day and ten per season. The chukar season was extended to coincide with the pheasant season, and Orange and Los Angeles Counties added to the open area in the recommendation.

Use of shotguns, firing single slugs or buckshot, was recom-

FINAL STANZA SURGE WRECKS TARTAR JV'S

A bevy of free throws in the last stanza of the game gave the Redondo Junior Varsity hoopsters a six point win over the local jayvee cagers in a Bay League encounter on the home court, Friday evening.

Big Bruce Seifert, son of the Seahawk coach, plopped in 17 points, nine from the free throw line, to give his pals a 46-43 victory over the sparky Tartar crew.

Tuesday afternoon, the locals will host the Santa Monica JV's in an afternoon fest slated to get underway at 2:45 p.m.

In Friday's melee, the Tartars overcame a one-point deficit at the end of the first quarter to pull ahead by a basket at half-time. They dropped to a single point behind at the close of the third period, then blew the game in the closing moments as the Hawks got hot.

Lanky Mike Kendall was the local hot-shot of the night, as he swooshed in 12 points to pace the Tartar attack. Tom Ito and Ron Waller were close behind on the scoring charts with eight counters each, made from three field goals and a pair of free tosses.

Sportsmen's recommendations varied considerably from earlier deer seasons to much later ones, and included weekend pheasant hunting, longer pheasant bag limit, from season to season, and the same pheasant seasons with the same seasonal bag limit, from season to season, prohibition of use of carp and goldfish statewide, except for carp in the Colorado River,

Top Squads Vie In Cage Battle

Two as yet unbeaten teams will march out onto the hardwood tomorrow night in the Adult Basketball League to see who remains the No. 1 squad of the loop.

Allen's Burgers and Cityworkers Local 1135, both sporting a smart four win-no loss record, will tip off at 7 p.m. in the high school gym for the crucial of the week.

Bill Baron rates the spotlight for the Allen's quintet, with superb shooting and sharp court play, giving his squad an edge for the game.

The dense fog in town early last week cast a jinx on the Frank's Furniture squad, formerly the Torrance Teachers, as only four regular players reached the gym before the grace period had expired, resulting in a forfeit to the National Blue Devils.

Win-But Lose
They roped Referee R. Dean into going a round or two, however, and staged an exhibition game—copping that fray, but, of course, to no avail.

Forward Leon Massey scored nine points to become high point man for the Blue Devils, in their 27-22 loss in the exhibition affair, Frank's guard Albert Costas hit 13 points on five field goals and three straight charity tosses to grab high point honors.

In the second game of the eve, Local 1135 jumped into a 14-point, first quarter lead and then went on to a 50-30 win over Al's Knolls Drugs.

Dean White led the winners in 17 points for the winners. Lee Mortenson was high point getter for the losers, dunking in 10 from his center spot.

Allen's Triumph
Allen's Burgers made mince-meat out of Treske's Men's Shop in the evening's final game, outscoring their opponents in every period but the third, to cop a 58-32 verdict.

Bill Baron, Jerry Farrar, and Dean White led the winners with 21, 16, and 15 points, respectively. Bob Chambers was top man for Treske's with 10, but was pressed closely by his little brother, Norm, who pitched in nine.

Al's Drugs will meet Frank's Furniture in the second game of the night tomorrow, starting at 8:05; the Blue Devils will take on Treske's at 9:10 at the high school.

Bees Drop to Redondo Five

Redondo's Bee basketballmen romped over the Tartar Bees in a Bay League mix Friday afternoon at the Seahawk gymnasium. Mike Bertolet was high point getter for the locals with 10 points. Redondo beat, 62-38.

Ex-Tartar Gridder Goes Pro

Aramis Dandoy, ex-Tartar gridder, and sole USC scorer in the Rose Bowl game New Year's Day, was drafted by the Cleveland Browns in the professional football draft last week.

Dandoy, who will graduate from Trojanville in June, was selected by the eastern squad in the fifth round of the draft. A halfback, Dandoy recently was singled out for his sterling performance in the Hula Bowl charity tilt at Honolulu, where he performed with a College All-Stars squad.

The Browns also nabbed up another west coaster, Frank Lindo, of College of Pacific. He was named in the 25th round.

None of Dandoy's teammates were picked off in the initial round by the pro clubs. Lindon Crow was nabbed by the Chicago Cardinals in the second, and Tackle Ed Fouch and Back Frank Clayton went to the Rams.

Fouch was named in the fourth round, and Clayton tapped in the seventh.

Others who went to Cleveland include Kurt Burris, Oklahoma center, their first pick; Dean Renfro, North Texas State tackle (2), Bob Freeman, Auburn back (3), John Hall, Iowa tackle (traded by Chicago Bears), and Sam Palumbo, Notre Dame center (4).

Dandoy, his wife, Maureen, and small child, reside in Los Angeles near the SC campus. He is the son of Mrs. A. W. Lambrigger, of 2026 W. 238th St.
